

Welcome back. We are so pleased to see you!

Please take a few moments to familiarise yourself with how we will look after you in the coming weeks. We are following the Government guidelines in order to provide you with a 'Covid Secure' visit.

- Please read the Covid Secure instructions below for each area of the Centre you are using
- Please ensure that you have pre-booked your visit
- We ask that you swipe in/report to reception
- We have kept social distancing marks to the essential areas
- Please ensure that you maintain the social distancing requirements in all non-marked areas
- Be assured that we have a comprehensive cleaning programme
- Doors and windows will be kept open where practical for maximum ventilation

If you have any questions, please do ask one of the team.
